You take no chances on any seed you buy from us. Take it home after it arrives. Test it any way you want to. If you do not consider that you have received some excellent value we trade back. You get your money returned promptly, including freight. Our seed is all tested and proven satisfactory before we ship it out. We must please you because we want you as a permanent customer.

In our campaign this year to add 100,000 new customers to our already large list of satisfied farmers, we are giving the greatest values in the 30 years of our history. Old customers and new will both profit by taking advantage of these present low prices.

PRICES QUOTED BOTH
F. O. B. CLARINDA AND CHICAGO

We consider ourselves very fortunate in having been able to complete arrangements for shipping orders to our Eastern customers direct from Chicago. There is a little extra expense in handling shipments from Chicago as those prices indicate. The saving in freight and quicker delivery much more than offset this small difference in price.

IMPORTANT NOTICE

State in your order whether you want shipment made from Chicago or Clarinda. If you order seed shipped from Chicago be sure to remit prices F. O. B. Chicago as here shown. In case you order seed shipped from Chicago but remit prices F. O. B. Clarinda we will reserve the right to ship from Clarinda. Chicago prices must be sent in order to get Chicago shipment.

Do not address any mail to Chicago. We only have a shipping point there and no correspondence department. Address all orders and letters to Clarinda.

MARKETS ARE ADVANCING—PRICES SUBJECT TO CHANGE

These present low prices are for prompt orders. Markets are working much higher. Our stocks are selling fast. When they are sold out we will have to ask more money for many kinds of seed. Prices are subject to change without notice. Buy before we advance our prices. You will be dollars ahead if you will buy early.

We make prompt and careful shipments and guarantee safe arrival as well as satisfactory quality.
